

Supporting Floral Street School while you do your day-to-day shopping is free, it's easy and it makes such a difference. Just follow the directions below.

Floral Street School is registered at Target; Target donates 1% of purchases made with the Target Visa or guest card to Floral Street School if your card is registered in the program. You can register online at: www.target.com/tcoe or you can stop by the kiosk at any Target store to register.

Floral Street School is also registered with Price Chopper. Families that register their Advantage Price Chopper card and use it when buying groceries will help Floral get points which can be redeemed for school supplies and equipment. To register your Advantage Price Chopper card you can go online to www.pricechopper.com. Floral's school # is 14268. If you would prefer, a volunteer from the Floral PTO can enter your card for you. Just e-mail Kathy Flynn at kathcf@townisp.com.

Please note: if your Price Chopper card was registered in the past, you may need to re-register it this year. You can check online at www.pricechopper.com to see if your card is registered.

Floral Street School is registered with Stop and Shop's A+ BonusBucks program which supports local schools. With A+ BonusBucks, points accrue with each purchase where the Stop & Shop Card is used. It even works with purchases made online with **Peapod** by Stop & Shop. The points earned get turned into cash for the school. Floral friends and families can register by going online to www.stopandshop.com/aplus or by contacting the A+ BonusBucks Hotline at 1-877-ASK-APLUS (1-877-275-2758). A PTO volunteer can also register your card for you. Simply e-mail Kathy Flynn at kathcf@townisp.com.

Supporting your child's school has rarely been easier. And don't forget to let grandparents or other family members know about these programs too!

Here are two more easy ways to support Floral Street School:

The Floral Street PTO collects Box Tops 4 Education and Labels for Education (Campbell's Soup Labels) to help raise funds to support academic enrichment programs, curriculum resources and basic classroom needs not covered by the budget. These programs are an easy way for your family to support the school!

BOX TOPS 4 EDUCATION

- We earn 10 cents for each box top and the funds go directly to the school!
- Please cut box tops on the dotted line.
- The drop bin is in the lobby of the school. For inclusion in the Box Tops contest happening later in the year, just write the name of your child's teacher on the bag or envelope - you don't have to wait to send in Box Tops.
- Ask your friends and family to save for you.
- Go to www.boxtops4education.com for a complete list of products.

LABELS FOR EDUCATION

- Clip the UPC code as proof of purchase.
- The drop bin is in the lobby of the school - please put the labels in an envelope or zip top bag.
- Go to www.labelsforeducation.com for a complete list of participating items.
- There are many participating products like Pepperidge Farm (breads, cookies, and Goldfish), Prego pasta sauces, V8 vegetable juices and more.
- You can help Floral St. School earn free merchandise.

Please contact Kathy Flynn at kathcf@townisp.com with any questions or if you would like to volunteer to help with the program. Thank you!!
